INTRODUCTION

The *Illinois Register* is the official state document for publishing public notice of rulemaking activity by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category. Rulemaking activity consists of proposed or adopted new rules or amendments to or repealers of existing rules, including those by emergency or peremptory action.

The *Register* also contains Executive Orders and Proclamations issued by the Governor, notices of public information required by State statute, and activities (meeting agendas, Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State agencies. In addition, the *Register* contains a Cumulative Index listing alphabetically by agency the Parts (sets of rules) on which rulemaking activity has occurred in the current *Register* volume and a Sections Affected Index listing, by Title of the *Illinois Administrative Code*, each Section (including supplementary material) of a Part on which rulemaking activity has occurred in the current volume. Both indices are action coded and are designed to aid the public in monitoring rules.

The *Register* will serve as the update to the *Illinois Administrative Code*, a compilation of the rules of State agencies. The most recent edition of the *Code* along with the *Register* comprise the most current accounting of the State agencies' rules.

The *Illinois Register* is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act (Ill. Rev. Stat. 1985, ch. 127, pars. 1001 et seq., as amended).

CONSTITUTION

The United States is the only nation in the world which has a written constitution. The purpose of this document is to define the powers of the government and to protect the rights of the people. It is the foundation of our government and the source of all authority.

The Constitution is divided into three main parts: the Preamble, the Articles, and the Amendments. The Preamble states the purpose of the government. The Articles define the structure and powers of the government. The Amendments are changes to the original Constitution.

The first three Articles define the three branches of government: the Executive, the Legislative, and the Judicial. The Executive branch is headed by the President. The Legislative branch is made up of the House of Representatives and the Senate. The Judicial branch is headed by the Supreme Court.

The last seven Amendments are known as the Bill of Rights. They protect the rights of the people from the government. These rights include the right to free speech, the right to a fair trial, and the right to privacy.

The Constitution is the supreme law of the land. It is the basis of all laws and the government must follow it. It is the foundation of our democracy and the source of all authority.

The language in Section 170.110(c)(2) was deleted in its entirety and new language which reads, "Once assigned to the experimental group, the individual may receive supportive services for up to one (1) year from the date of selection for the program.", was inserted.

In Section 170.110(e) the word "subsection" replaces "Section".

DEPARTMENT OF PUBLIC AID

NOTICE OF ADOPTED RULES

- a) The Early Access Program is a five year demonstration program of experimental design, operated by the Department. The purpose of the demonstration program is to determine if mandatory participation in Project Chance (see 89 Ill. Adm. Code Sections 112.70 through 112.82) for the parent or other caretaker relative of

a youngest child aged three, four, or five years will measurably reduce the length of time on AFDC.

b) Selection criteria

The Department will randomly select for participation in the Early Access Program AFDC recipients who:

- 1) are the parent or other caretaker relative of a youngest child aged three, four, or five years; and
- 2) use Public Aid offices in Kane County, Illinois.

c) Participation requirements

Individuals randomly selected for mandatory participation in the demonstration program are subject to and must comply with the terms, conditions and requirements of 89 Ill. Adm. Code Sections 112.70 through 112.82. However, the provision of Section 112.71(a)(5) which exempts from Project Chance participation the parent or other caretaker relative of a child under age six (6) in the home is not applicable. Additionally, individuals selected for mandatory participation are only required to engage in Project Chance activities for twenty (20) hours per week while the youngest child is age 3, 4, or 5. When the youngest child turns 6, they will participate full time.

d) Experimental and Control Groups

- 1) The individuals selected pursuant to subsection (b) must comply with all Project Chance requirements pursuant to subsection (c). Individuals will be randomly assigned by computer to one of the following groups:

3) As long as the Early Access Program is in effect, a person designated as an experimental or control group member retains that designation for purposes of data collection even if that person stops receiving AFDC benefits or leaves the project area.

SUBPART B: THE CAREER ADVANCEMENT PROGRAM

Section 170.100 The Career Advancement Program

- a) The Career Advancement Program is a five year demonstration program of experimental design, operated by the Department of Public Aid. The purpose of the demonstration program is to determine if voluntary participation in a program providing supportive services for education and training for individuals who are employed and no longer eligible for Aid to Families With Dependent Children (AFDC) cash assistance (see 89 Ill. Adm. Code 112) will measurably lower the instances of individuals returning to receive AFDC cash assistance.

b) Former AFDC recipients are eligible for selection into the Career Advancement Program. The Department will select individuals who:

- 1) are members of former AFDC cases and no longer eligible for AFDC cash assistance due to employment, but earning less than 185% of the Standard of Need;
- 2) apply for the Career Advancement Program within one (1) year from the date the individual is no

Section 170.110 Career Advancement Experimental and Control Groups

- a) All individuals eligible under Section 170.100(b) will be sent a written notice describing the Career Advancement Program at the time the client is no longer eligible for AFDC cash assistance, and four and eight months later. An individual who requests to participate in this program will be randomly assigned by computer to one of the following groups:

- 1) an experimental group. The experimental group consists of those individuals who meet the criteria of Section 170.100(b) and will be offered the services described in Section 170.130; or
 - 2) a control group. The control group consists of those individuals who meet the criteria of Section 170.100(b) but are not allowed to comply with the requirements of Sections 170.120 and 170.130.
- b) Individuals who request to participate in the Career Advancement Program will be informed by written notice of the outcome of the selection by the Department.
- c) Length of time in Program and Supportive Services

- 1) Admission to the program is on a one-time only basis. As long as the Career Advancement Program is in effect, a person designated as an experimental or control group member retains that designation, even if the person again becomes an AFDC recipient. If the individual again stops receiving AFDC he/she may not reapply for the Career Advancement Program.

DEPARTMENT OF PUBLIC AID

NOTICE OF ADOPTED RULES

Section 170.110 Career Advancement Experimental and Control Groups (Cont'd.)

At its meeting on August 24, 1989, the Joint Committee on Administrative Rules objected to the above proposed rulemaking. Failure of the agency to respond within 90 days of receipt of the Statement of Objection shall constitute withdrawal of the proposed rulemaking in its entirety.

The specific objection is as follows:

The Joint Committee objects to the proposed rules of the Board of Regents entitled "Procurement from Minority and Female Owned Business Enterprises" (44 Ill. Adm. Code 526) because in light of a recent United States Supreme Court decision, the Illinois Minority and Female Business Enterprise Act, upon which the rulemaking is based, appears to be unconstitutional; and because the proposed rules are inconsistent with Senate Bill 127 and House Bill 38 (Public Act 86-0270 and Public Act 86-0269, respectively).

The proposed rules of the Board of Regents establish goals for awarding contracts to minority and female owned businesses and authorize the creation of sheltered markets by the Vice Chancellor for Administrative Affairs. The rules implement the Illinois Minority and Female Business Enterprise Act (Ill. Rev. Stat. 1987, ch. 127, par. 132.600 et seq.), which establishes the Minority and Female Business Enterprise Council and sets forth the State's policies and procedures for awarding contracts to minority and female businesses.

The Board of Regents submitted its second notice for the proposed rules to the Joint Committee on June 23, 1989, with the second notice period ending no later than August 7, 1989. During the second notice period,

the Board requested that the second notice period be extended pursuant to Section 5.01(b) of the Illinois Administrative Procedure Act, stating that pending legislation could change the set-aside program established in the rules. The Joint Committee voted, at its meeting on July 14, 1989, to extend the second notice period for the proposed rules until September 21, 1989.

Subsequent to the Joint Committee's agreement to extend the second notice period, the Board expressed a desire to withdraw the rules. The Board stated that the legislation that had been the stimulus for the request to extend the second notice period had passed both houses of the General Assembly and was waiting the Governor's signature. The Board explained that the proposed rules are based upon the existing language in the Act, which authorizes a set-aside program (i.e., sheltered market) for procurement from minority and female business enterprises. Two bills amending the Act have been sent to the Governor, Senate Bill 127 and House Bill 38, both of which delete existing provisions relating to sheltered market set-asides and state that the Minority and Female Business Enterprise Council will establish sheltered markets tailored to address specific findings by the Council of evidence of past or present racial, ethnic or gender based discrimination that has a direct impact on State contracting with minority or female owned business. The Board explained that the legislation was prompted by the case of Richmond v. J.A. Cronson Co. (U.S. , 109 S. Ct. 706, 102 L. Ed. 854 (1989)), in which the United States Supreme Court held that minority set-aside programs established by governmental entities were unconstitutional unless certain conditions precedent were met. The Board expects that one of the two bills will be signed by Governor Thompson to cure the defects that exist in the Act as a result of the Richmond decision. Therefore, the Board stated that it is necessary for the rules to be withdrawn and the impact of the Richmond decision and any resulting change in the law analyzed before proceeding with further rulemaking relating to procurement from minority and female businesses.

Section 5.01(b) of the Illinois Administrative Procedure Act (IAPA) states, in part, that "[a]fter commencement of the second notice period, no substantive change may be made to a proposed rulemaking unless it is made in response to an objection or suggestion of the Joint Committee." Section 7.06(c) of the IAPA states that "[i]f within the second notice period, the Joint Committee certifies its objection to the issuing agency then that agency shall within 90 days of receipt of the statement of objection: . . . withdraw the proposed rule, amendment, or repealer in its

entirety...." In order for the Board to withdraw the rulemaking, it must do so in response to an objection of the Joint Committee.

Therefore, the Joint Committee objects to the proposed rules of the Board of Regents entitled "Procurement from Minority and Female Owned Business Enterprises" (44 Ill. Adm. Code 526) because in light of a recent United States Supreme Court decision, the Illinois Minority and Female Business Enterprise Act, upon which the rulemaking is based, appears to be unconstitutional; and because the proposed rules are inconsistent with Senate Bill 127 and House Bill 38 (currently awaiting the Governor's signature) and should not be adopted.

At its meeting on August 24, 1989, the Joint Committee on Administrative Rules objected to the above proposed rulemaking. Failure of the agency to respond within 90 days of receipt of the Statement of Objection shall constitute withdrawal of the proposed rulemaking in its entirety.

The specific objections are as follows:

Objection 1

The Joint Committee objects to the Department of Professional Regulation's rules entitled "The Nursing Home Administrators Licensing and Disciplinary Act" (68 Ill. Adm. Code 1310) because the Department lacks the statutory authority to impose by rule a fee on a license renewal applicant's request for Department approval of continuing education hours that are earned by the applicant in another jurisdiction, when the applicant is not a licensed nursing home administrator in that jurisdiction and the continuing education sponsor has not been approved by the Department.

This rulemaking revises application requirements for a temporary nursing home administrator's license, licensure requirements for individuals who are already licensed to administer nursing homes outside of Illinois and who wish to have that license accepted in Illinois, and for the nursing home administrator license examination. The rulemaking also revises requirements for continuing education that is relevant to the practice of nursing home administration and is required of a license renewal applicant during each prerenewal period, and establishes standards for approving continuing education sponsors and their programs. Section 1310.85(d) of the Department's rules provides procedures to be followed by a renewal applicant who has earned continuing education hours in another jurisdiction. This section specifies that if a renewal applicant will be earning or has earned continuing education hours in another jurisdiction, but is not licensed in that jurisdiction and the continuing education course is not presented by an Department approved sponsor,

the applicant shall submit an individual program approval request form, along with a \$20 processing fee, to have the program reviewed. The rule provides that the Nursing Home Administrators Licensing and Disciplinary Board shall review this request and recommend approval or disapproval of the program, that an applicant may seek individual program approval prior to participation in the course or program, and that all individual program approval requests shall be submitted prior to the expiration date of the applicant's license.

The Department was asked to cite its statutory authority for charging a individual program approval request processing fee. The Department cited Section 14 of the Nursing Home Administrators Licensing and Disciplinary Act (Ill. Rev. Stat. 1987, ch. 111, par. 3664). Section 14 of the Act establishes various license fees and sets an annual fee of \$500 for approved continuing education sponsors, except that State agencies, colleges, and universities are exempt from the payment of this sponsor fee. The Department stated that because \$20 is the amount set in Section 14 of the Act for miscellaneous fees to cover the processing of services such as the issuance of a duplicate license, certification of a licensee's record, and review and verification of the scoring of an examination administered by the Department, the Department established the individual program approval request processing fee at \$20.

According to the Department, the purpose of the individual program approval request procedure is to accommodate renewal applicants who earn continuing education hours from an out-of-state sponsor who has not sought Department approval because renewal applicants who are licensed by the Department do not usually enroll in the sponsor's programs. The Department explained that the \$20 individual program request fee is viewed as a less burdensome alternative to the annual fee of \$500 for approved continuing education sponsors. The Department also stated that it will seek legislation either in the upcoming veto session or in the next spring session to add this fee to Section 14 of the Act.

While the Department believes that \$20 is a reasonable fee for processing an individual program approval request, Section 14 of the Act specifically establishes the fees that the Department is authorized to charge, and does not authorize the Department to establish by rule fees in addition to those set forth in the Act. A cardinal rule of statutory construction is that the intention of the legislature is to be given effect. It is generally recognized that statutory language is the best indicator of intent, and where that language is unambiguous, it must be given effect and enforced by courts as enacted. People v. Crete, 88 Ill. Dec. 355,

478 N.E.2d 846, 852 (Ill. App. 2 Dist. 1985). It is improper to interpret statutory language that is unambiguous, to annex new provisions or substitute different ones, or to read into a statute exceptions, limitations, or conditions that depart from its plain meaning. Freeman United Coal Mining Co. v. Industrial Commission, 99 Ill. 2d 487, 459 N.E.2d 1368 (1984). The language of the Act plainly does not allow the Department to establish fees in addition to those clearly set forth. Absent any clear statement that the Department has the authority to establish additional fees, the language of Section 14 must be interpreted to refer only to the specific fees listed therein and to no others.

Therefore, the Joint Committee objects to the Department of Professional Regulation's rules entitled "The Nursing Home Administrators Licensing and Disciplinary Act" (68 Ill. Adm. Code 1310) because the Department lacks the statutory authority to impose by rule a fee on a license renewal applicant's request for Department approval of continuing education hours that are earned by the applicant in another jurisdiction, when the applicant is not a licensed nursing home administrator in that jurisdiction and the continuing education sponsor has not been approved by the Department.

Objection 2

The Joint Committee objects to Sections 1310.20, 1310.30, and 1310.60 of the Department of Professional Regulation's rules entitled "The Nursing Home Administrators Licensing and Disciplinary Act" (68 Ill. Adm. Code 1310) because, in light of Public Act 86-130, effective August 3, 1989, the rules are unclear.

This rulemaking revises application requirements for a temporary nursing home administrator's license, and requirements for the nursing home administrator license examination. The rules require that along with the temporary license or examination application form the applicant must submit a statement of sound physical and mental health signed by a currently licensed physician, certification of certain specified education and experience requirements, complete work history since completion of education, and the required fee.

Section 1310.20(a)(1) exempts from the physical and mental health examination requirement, any applicant for a temporary license who is a member of a recognized church or religious denomination which teaches reliance on spiritual means alone for healing, and provides that such applicant will be issued a temporary Limited Nursing Home Administrator License which will allow the individual to be an administrator in an

institution of the certifying church or denomination. Section 1310.30(a)(3) provides for a Limited Nursing Home Administrator License upon successful completion of the examination set forth in the rules. Section 1310.60, which discusses the nursing home administrators licensing examination, provides that for individuals who are applying as members of a recognized church or religious denomination which teaches reliance on spiritual means alone for healing, an examination will be administered which will not require the individual to demonstrate proficiency in any medical techniques.

Public Act 86-130, effective August 3, 1989, (House Bill 283; sponsored by Representative Ryder and Senator Donahue) amends Section 10 of the Nursing Home Administrators Licensing and Disciplinary Act (Ill. Rev. Stat. 1987, ch. 111, par. 3660) by providing that nothing in this Act or in the rules adopted hereunder shall require an administrator of any facility or institution operated solely by and for persons who rely exclusively upon treatment by spiritual means through prayer alone, in accordance with the creed or tenets of any well-recognized church or religious denomination, to be licensed as a nursing home administrator. Public Act 86-130 also amends the Nursing Home Care Act (Ill. Rev. Stat. 1987, ch. 111 1/2, par. 4151 et seq.) to provide that such facilities are excluded from that Act's definition of "facility" or "long-term care facility" and to require such facilities to comply with all local laws and rules relating to sanitation and safety. In addition, Public Act 86-130 deletes provisions from the Nursing Home Care Act requiring such facilities to be licensed by the Department of Public Health and to comply with all applicable rules except rules relating to medical techniques.

The Department was asked whether it intends to continue licensing administrators of institutions operated solely by and for persons who rely exclusively upon treatment by spiritual means alone for healing. The Department explained that it is uncertain as to whether it should continue licensing such administrators. The Department stated that its rules do not require an administrator of such church-operated institutions to apply for licensure, but that the rules provide exceptions to the license and examination requirements for administrators of such institutions who choose to apply for a nursing home administrator license. The Department also indicated that it is uncertain as to whether the Department of Public Health is going to continue licensing these institutions. The Department explained that if the institutions will continue to be licensed nursing homes, then the administrators should have the option of applying for a nursing home administrator's license.

JOINT COMMITTEE ON ADMINISTRATIVE RULES
ILLINOIS GENERAL ASSEMBLYSTATEMENT OF OBJECTIONDEPARTMENT OF PROFESSIONAL REGULATION
(Continued Page 5)

The Department's rules are ambiguous in light of the changes in the law resulting from Public Act 86-130. Public Act 86-130 appears to exempt nursing homes operated solely by and for persons who rely exclusively upon treatment by spiritual means through prayer in accordance with a well-recognized church or religious denomination, and the administrators of such homes from licensure requirements. The Department itself has indicated that it is uncertain as to its policy regarding administrators of these institutions, given the provisions of Public Act 86-130. The Department should clarify the requirements in its rules relating to such administrators to reflect its policy and the intent of the law.

Therefore, the Joint Committee objects to Sections 1310.20, 13.10.30, and 1310.60 of the Department of Professional Regulation's rules entitled "The Nursing Home Administrators Licensing and Disciplinary Act" (88 Ill. Adm. Code 1310) because, in light of Public Act 86-130, effective August 3, 1989, the rules are unclear.

At its meeting on August 24, 1989, the Joint Committee on Administrative Rules objected to the above proposed rulemaking. Failure of the agency to respond within 90 days of receipt of the Statement of Objection shall constitute withdrawal of the proposed rulemaking in its entirety.

The specific objection is as follows:

The Joint Committee objects to Sections 1910.30(c), 1910.67(m) and 1910.69(e) of the Property Tax Appeal Board's rulemaking entitled "Procedures" (86 Ill. Adm. Code 1910) because the Board lacks the statutory authority to dismiss an appeal for failure of the contesting party to provide a court reporter and copy of the transcript and require a filing fee of \$20.00 for each parcel of real property appealed to the Board.

The Property Tax Appeal Board (Board) proposed this rulemaking to amend its hearing rules governing the conduct of real estate assessment cases appealed to the Board. The rulemaking sets a filing fee of \$20 per parcel of real estate which is appealed, states that a three-year assessment level certified by the Department of Revenue will be considered by the Board in determining the full market value of realty and sets criteria for the extension of time limits set out in the rules. This rulemaking is a modified version of rules considered by the Joint Committee at its June 23, 1986 meeting, reflecting all agreements previously made between the Joint Committee and the Board. At the Joint Committee's June 23, 1986 meeting, the Joint Committee voted four objections and two recommendations. One objection was to Section 1910.69(e) and Section 1910.67(m) of the Property Tax Appeal Board's rules entitled "Procedures" because the Board lacked the statutory authority to dismiss an appeal for failure to provide a court reporter and copy of the transcript. The Joint Committee also recommended to the Property Tax Appeal Board that it seek legislation to clarify the Board's authority to require a contesting party to furnish a court reporter where

the party is seeking a change in assessed valuation of \$25,000 or more and to reconcile any conflict between this provision and Section 111.4 of the Revenue Act of 1939 (Ill. Rev. Stat. 1985, ch. 120, par. 592.2).

The Board once again proposed rulemaking including requirements in Sections 1910.67(m) and 1910.69(e) that, with one exception pertaining to a limitations period, mirrored the text of the Board's rulemaking that was the subject of the Joint Committee's previous objection and recommendation. Section 1910.67(m) states:

In all cases where the contesting party is seeking a reduction of \$25,000 or more in assessed valuation, the contesting party must provide a court reporter at his own expense. The original certified transcript of such hearing shall be forwarded to the Springfield Office of the Property Tax Appeal Board and shall become part of the Board's official record of the proceedings on appeal. The court reporter's certified transcript should be forwarded as soon as possible but no later than within 60 days of the hearing.

Section 1910.69(e) states:

Failure of the contesting party to furnish a court reporter as required in Section 1910.67(m) of this Part shall be sufficient cause to dismiss the appeal. Failure of the contesting party to furnish a court reporter's transcript within 60 days of the date of the hearing shall result in the dismissal of the appeal.

The Board also proposed new language in Section 1910.30(c) requiring a filing fee, as follows:

For the 1990 and subsequent assessment years, there shall be a filing fee of \$20.00 for each parcel of real property appealed to the Property Tax Appeal Board. The filing fee shall be paid by check or money order

made payable to the Property Tax Appeal Board and shall accompany the petition at the time of filing. Any petition filed with the Board which does not include the proper filing fee will be treated as an incomplete petition and shall be returned in accordance with subsection (h) of this Section.

The Board was asked to explain its rationale for re-proposing language that was the source of a past objection by the Joint Committee, and to inform the Joint Committee of any success it may have had in obtaining legislation to clarify this matter. In response, the Board explained that it was under the impression that the Joint Committee had not voted the objection, and therefore, legislation was not necessary.

The Joint Committee's original objection and recommendation were published in the Illinois Register on July 11, 1986 (10 Ill. Reg. 12148 and 12427, respectively). The Board received the Statements of Objection and Recommendation on June 26, 1986 and the Joint Committee received the Board's response September 19, 1986. The Board refused to modify its rulemaking to meet the Joint Committee's objection, but did agree with the Joint Committee's recommendation to seek legislation to clarify the Board's authority to require a contesting party to furnish a court reporter and to reconcile any conflict with Section 111.4 of the Act. When presented with this information, the Board acknowledged that it had been in error, and that the Joint Committee had in fact voted the above described objection and recommendation.

The Board was also asked to provide specific statutory authority for the dismissal of an appeal for failure to provide a court reporter. The Board stated it would use the same argument that it had in 1986, that its authority to assess costs under Section 111.2 of the Revenue Act of 1939 (Ill. Rev. Stat. 1987, ch. 120, par. 592.2) gives it the authority to require appellants before the Board to pay transcription costs. Therefore, according to the Board, it has the authority to dismiss an appeal if the appellant does not provide a court reporter. Further, Section 111.3 of the Act grants to the Board the authority to conduct hearings in accordance with rules of practice and procedure as the Board may make and promulgate.

The Board was also asked to cite its authority to require a \$20.00 per parcel filing fee. The Board cited Section 111.2 of the Revenue Act of 1939, "which refers to 'any reasonable filing fee determined by the Board.'"

JOINT COMMITTEE ON ADMINISTRATIVE RULES
ILLINOIS GENERAL ASSEMBLYSTATEMENT OF OBJECTIONPROPERTY TAX APPEAL BOARD
(Continued Page 4)

The arguments presented by the Board are the same as those rejected by the Joint Committee in the context of the previous objection. Neither statutory provision cited by the Board provides authority for the Board to require that appellants furnish a court reporter and transcript. Section 111.2 of the Act authorizes the Board to establish an informal procedure for the determination of the correct assessment of property which is the subject of an appeal. That procedure "may provide that costs shall be in the discretion of the Board." (Ill. Rev. Stat. 1987, ch. 120, par. 592.2) This provision simply allows the Board to assess costs of a hearing, not to require a party to provide the court reporter on penalty of dismissal of the appeal. Section 111.2 also does not authorize the Board to establish a filing fee for each parcel of real property appealed.

Section 111.4 of the Act also addresses costs but more specifically addresses costs of the record. It requires the Board to keep a record of its proceedings and requires the Board to certify the record of its proceeding for purposes of judicial review of the Board's decision only if the party seeking review pays \$.75 per page for testimony taken before the Board and \$.25 per page for other matters contained in the record. In response to the argument that Section 111.4 is the governing authority, the Board stated that there were two separate charges. It requires provision of court reporters in all cases seeking changes in assessed valuation of \$25,000 or more. This cost can run \$30-\$50 to hire the reporter plus \$.90 to \$1.50 per page. The charge under Section 111.4 is applied in all cases where the Board's decision is appealed except, as provided by statute, where the Board waives the charge for inability to pay. According to the Board, a party who seeks review of a decision in a case where a change in valuation of over \$25,000 was sought would have to pay for the court reporter and for the Board to certify the record, including copies thereof.

The Board's policy appears to be in direct conflict with Section 111.4 which further provides, "there shall be no charge to the taxpayer or other entity for certification by the Property Tax Appeal Board of any pages of the record which are furnished for inclusion in the record by the taxpayer or other entity seeking such review." It would appear that the Board could not charge the appealing party the statutory fee for testimony where that party provided the court reporter.

The Board has failed to modify its rulemaking in response to the Joint Committee's objection, and has not sought remedial legislation to address the lack of authority of the Board to compel appellants to furnish a court reporter and furnish a transcript of a hearing, and reconcile the

(Continued Page 5)

Board's desired objective with Section 111.4 of the Act. Neither has the Board presented any new arguments or statutory authorization in justification of its policies. If the Board believes that it should have the authority to dismiss an appeal for failure of the contesting party to provide a court reporter and a copy of the transcript, and to require a \$20.00 fee for each parcel of real property appealed, the Board's proper course is to seek legislation to amend the Revenue Act of 1939 to provide such authority, rather than attempting to amend the law by means of rulemaking.

Therefore, the Joint Committee objects to Sections 1910.30(c), 1910.67(m) and 1910.69(e) of the Property Tax Appeal Board's rulemaking entitled "Procedures" (86 Ill. Adm. Code 1910) because the Board lacks the statutory authority to dismiss an appeal for failure to provide a court reporter and copy of the transcript and to require a filing fee of \$20.00 for each parcel of real property appealed to the Board.

At its meeting on August 24, 1989, the Joint Committee issued a recommendation in regard to the above proposed rulemaking. The Department should respond within 90 days of the receipt of this Statement of Recommendation.

The specific recommendation is as follows:

The Joint Committee suggests that if the Board wishes to exercise the authority to dismiss an appeal for failure of the contesting party to provide a court reporter and transcript, the Board seek legislation amending Section 111.3 of the Revenue Act of 1939 (Ill. Rev. Stat. 1987, ch. 120, par. 592.3) to clarify the Board's authority to require a contesting party to furnish a court reporter where the party is seeking a change in assessed valuation of \$25,000 or more and to reconcile any conflict between this provision and Section 111.2 of the Revenue Act of 1939 (Ill. Rev. Stat. 1987, ch. 120, par. 592.2).

The Property Tax Appeal Board (Board) proposed this rulemaking to amend its hearing rules governing the conduct of real estate assessment cases appealed to the Board. The rulemaking sets a filing fee of \$20 per parcel of real estate which is appealed, states that a three-year assessment level certified by the Department of Revenue will be considered by the Board in determining the full market value of realty and sets criteria for the extension of time limits set out in the rules. This rulemaking is a modified version of rules considered by the Joint Committee at its June 23, 1986 meeting, reflecting all agreements previously made between the Joint Committee and the Board. The Joint Committee also recommended to the

Property Tax Appeal Board that it seek legislation to clarify the Board's authority to require a contesting party to furnish a court reporter where the party is seeking a change in assessed valuation of \$25,000 or more and to reconcile any conflict between this provision and Section 111.4 of the Revenue Act of 1939 (Ill. The Board once again proposed rulemaking including requirements in Sections 1910.67(m) and 1910.69(e) that, with one exception pertaining to a limitations period, mirrored the text of the Board's rulemaking that was the subject of the Joint Committee's previous objection and recommendation. Section 1910.67(m) states:

In all cases where the contesting party is seeking a reduction of \$25,000 or more in assessed valuation, the contesting party must provide a court reporter at his own expense. The original certified transcript of such hearing shall be forwarded to the Springfield Office of the Property Tax Appeal Board and shall become part of the Board's official record of the proceedings on appeal. The court reporter's certified transcript should be forwarded as soon as possible but no later than within 60 days of the hearing.

Section 1910.69(e) states:

Failure of the contesting party to furnish a court reporter's transcript within 60 days of the date of the hearing shall result in the dismissal of the appeal.

The Joint Committee's original objection and recommendation were published in the Illinois Register on July 11, 1986 (10 Ill. Reg. 12148 and 12427, respectively). The Board received the Statements of Objection and Recommendation on June 26, 1986 and the Joint Committee received the Board's response September 19, 1986. The Board refused to modify its rulemaking to meet the Joint Committee's objection, but did agree with the Joint Committee's recommendation to seek legislation to clarify the Board's authority to require a contesting party to furnish a court reporter and to reconcile any conflict with Section 111.4 of the Act. When presented with this information, the Board acknowledged that it had been in error, and that the Joint Committee had in fact voted the above described objection and recommendation.

The Board was also asked to provide specific statutory authority for the dismissal of an appeal for failure to provide a court reporter. The Board stated it would use the same argument that it had in 1986, that its authority to assess costs under Section 111.2 of the Revenue Act of 1939 (Ill. Rev. Stat. 1987, ch. 120, par. 592.2) gives it the authority to require appellants before the Board to pay transcription costs. Therefore, according to the Board, it has the authority to dismiss an appeal if the appellant does not provide a court reporter. Further, Section 111.3 of the Act grants to the Board the authority to conduct hearings in accordance with rules of practice and procedure as the Board may make and promulgate.

The arguments presented by the Board are the same as those rejected by the Joint Committee in the context of the previous objection. Neither statutory provision cited by the Board provides authority for the Board to require that appellants furnish a court reporter and transcript. Section 111.2 of the Act authorizes the Board to establish an informal procedure for the determination of the correct assessment of property which is the subject of an appeal. That procedure "may provide that costs shall be in the discretion of the Board." (Ill. Rev. Stat. 1985, ch. 120, par. 592.2) This provision simply allows the Board to assess costs of a hearing, not to require a party to provide the court reporter on penalty of dismissal of the appeal.

Section 111.4 of the Act also addresses costs but more specifically addresses costs of the record. It requires the Board to keep a record of its proceedings and requires the Board to certify the record of its proceeding for purposes of judicial review of the Board's decision only if the party seeking review pays \$.75 per page for testimony taken before the Board and \$.25 per page for other matters contained in the record. In response to the argument that Section 111.4 is the governing

authority, the Board stated that there were two separate charges. It requires provision of court reporters in all cases seeking changes in assessed valuation of \$25,000 or more. This cost can run \$30-\$50 to hire the reporter plus \$.90 to \$1.50 per page. The charge under Section 111.4 is applied in all cases where the Board's decision is appealed except, as provided by statute, where the Board waives the charge for inability to pay. According to the Board, a party who seeks review of a decision in a case where a change in valuation of over \$25,000 was sought would have to pay for the court reporter and for the Board to certify the record, including copies thereof.

The Board's policy appears to be in direct conflict with Section 111.4 which further provides, "there shall be no charge to the taxpayer or other entity for certification by the Property Tax Appeal Board of any pages of the record which are furnished for inclusion in the record by the taxpayer or other entity seeking such review." It would appear that the Board could not charge the appealing party the statutory fee for testimony where that party provided the court reporter.

The Board has failed to modify its rulemaking in response to the Joint Committee's objection, and has not sought remedial legislation to address the lack of authority of the Board to compel appellants to furnish a court reporter and furnish a transcript of a hearing, and reconcile the Board's desired objective with Section 111.4 of the Act. Neither has the Board presented any new arguments or statutory authorization in justification of its policies. If the Board believes that it should have the authority to dismiss an appeal for failure of the contesting party to provide a court reporter and a copy of the transcript, and to require a \$20.00 filing fee for each parcel of real property appealed, the Board's proper course is to seek legislation to amend the Revenue Act of 1939 to provide such authority, rather than attempting to amend the law by means of rulemaking.

Therefore, the Joint Committee suggests that if the Board wishes to exercise the authority to dismiss an appeal for failure to provide a court reporter and transcript, the Board seek legislation amending Section 111.3 of the Revenue Act of 1939 (Ill. Rev. Stat. 1987, ch. 120, par. 592.3) to clarify the Board's authority to require a contesting party to furnish a court reporter where the party is seeking a change in assessed valuation of \$25,000 or more and to reconcile any conflict between this provision and Section 111.2 of the Revenue Act of 1939 (Ill. Rev. Stat. 1987, ch. 120, par. 592.2).

STATEMENT OF OBJECTION

DEPARTMENT OF PUBLIC AID

Heading of Part: Medical Payment
Code Citation: 89 Ill. Adm. Code 140
Section Numbers: 140.569

Date Originally Published in Illinois Register: April 21, 1989
13 Ill. Reg. 5465

At its meeting on August 24, 1989, the Joint Committee on Administrative Rules objected to the above proposed rulemaking. Failure of the agency to respond within 90 days of receipt of the Statement of Objection shall constitute withdrawal of the proposed rulemaking in its entirety.

The specific objection is as follows:

The Joint Committee objects to the rulemaking of the Department of Public Aid which amends Section 140.569 "Clients with Exception Nursing Care Needs" because the rulemaking was so extensively modified during the first notice period that the Department agrees that the rulemaking should be withdrawn and proposed again in order to afford those affected by the rules an opportunity to comment on the rulemaking as modified.

The Department proposed this rulemaking to modify its regulations governing the exceptional care program. Exceptional medical care is the level of medical care required by persons who are ready for discharge from a hospital, but require a greater level of care than that ordinarily provided in a skilled nursing facility. Section 5-5.8a of the Public Aid Code (Ill. Rev. Stat. 1987, ch. 23, par. 5-5.8a) authorizes the Department of Public Aid to pay skilled nursing facilities for the provision of exceptional care at a higher rate than is ordinarily paid for the care of residents of these facilities. Payment for exceptional care may not exceed the rate the Department would be required to pay for the care of a person in a hospital.

Amendments to the exceptional care rules were proposed by the Department in the April 21, 1989 edition of the Illinois Register. These amendments proposed deletion of the Department's existing rules on exceptional care and replacement with new rules which detailed contract requirements, staffing levels and training requirements, program conditions and eligibility factors which must be met by a skilled nursing facility in order to receive exceptional care rate reimbursement.

JOINT COMMITTEE ON ADMINISTRATIVE RULES
ILLINOIS GENERAL ASSEMBLYSTATEMENT OF OBJECTIONDEPARTMENT OF PUBLIC AID
(Continued Page 2)

Extensive comments were received by the Department during the first notice period from the affected public.

In response to the public comment received during the first notice period, the Department made sweeping changes in the rulemaking. These changes were detailed in the second notice submission presented to the Joint Committee on July 19, 1989.

Section 5.01 of the Illinois Administrative Procedure Act details the manner in which agencies are to be responsive to public comment in the rulemaking process. The Department has attempted to be responsive to those affected by the rulemaking by making extensive first notice changes in this instance. However, the nature and scope of the changes made by the Department are such that the second notice version of this rule is in essence a new rulemaking.

It is the Department's position that at this juncture the prudent course of action is to withdraw this rulemaking and propose it again so that everyone affected will have a complete opportunity to comment upon the rule in its present form. In order for the Department to withdraw the rulemaking, it is necessary for the Joint Committee to go on record as objecting to the rulemaking in order that the Department may withdraw the rulemaking in response to the Joint Committee's objection and begin the rulemaking process again.

Therefore, the Joint Committee objects to the rulemaking of the Department of Public Aid which amends Section 140.569 "Clients with Exception Nursing Care Needs" because the rulemaking was so extensively modified during the first notice period that the Department agrees that the rulemaking should be withdrawn and proposed again in order to afford those affected by the rules an opportunity to comment on the rulemaking as modified.

JOINT COMMITTEE ON ADMINISTRATIVE RULES
ILLINOIS GENERAL ASSEMBLYSTATEMENT OF OBJECTION TO EMERGENCY RULEMAKING

DEPARTMENT OF CENTRAL MANAGEMENT SERVICES

Heading of Part: Pay Plan

Code Citation: 80 Ill. Adm. Code 310

Section Numbers: 310.290

Date Originally Published in Illinois Register: July 7, 1989
13 Ill. Reg. 10967

At its meeting on August 24, 1989, the Joint Committee on Administrative Rules objected to the above emergency rulemaking. Failure of the agency to respond within 90 days of receipt of the Statement of Objection shall constitute a refusal to amend or repeal the rule.

The specific objection is as follows:

The Joint Committee objects to Section 310.290 of the emergency rules of the Department of Central Management Services entitled "Pay Plan" because, contrary to the requirements of Section 5.02 of the Illinois Administrative Procedure Act, any emergency which exists was caused by the failure of the Department to utilize the general rulemaking procedures of Section 5.01 of the Illinois Administrative Procedure Act in a timely fashion.

This emergency rulemaking establishes rate changes for the classifications of Building/Grounds Laborer and Building/Grounds Lead I and II in Section 310.230, as requested by the Department of Agriculture for the seasonal work period of the State Fair. Section 310.290 raises the Out-of-State/Foreign Service rates for employees in positions outside of Illinois and establishes new positions and abolishes old positions. The Department proposed these emergency amendments in the July 7, 1989, Illinois Register, effective June 20, 1989.

The Department was asked to explain why it is necessary to use the emergency rulemaking procedures, whether they were under a time constraint to implement these rules, and whether they had informed the affected public. The Department responded "it is imperative that these salary changes become effective July 1, 1989, so that employee groups subject to the Out-of-State/Foreign Services rates will maintain parity with the majority of Code employees who are covered by contracts." Consequent to a Civil Service Commission action abolishing the titles of Secretary and Clerk Typist on April 16, 1989, and establishing the titles of Office Assistant, Office Associate, and Office Coordinator, the

JOINT COMMITTEE ON ADMINISTRATIVE RULES
ILLINOIS GENERAL ASSEMBLYSTATEMENT OF OBJECTION TO EMERGENCY RULEMAKINGDEPARTMENT OF CENTRAL MANAGEMENT SERVICES
(Continued Page 2)

Department promulgated emergency amendments to Section 310.290. The titles of Tax Examiner and Tax Examiner trainee in Section 310.290 were created consequent to a Department of Revenue request on March 20, 1989. The Department stated that some of the Section 310.290 amendments were part of a clerical study which was performed as a consequence of an AFSCME study which was not implemented until June 12 or 13, 1989.

Given the 45-day first and second notice requirements of the general rulemaking procedures, the Department indicated that it no longer had sufficient time to propose rules under the general rulemaking procedures, if the July 1, 1989 deadline were to be met. The Department resorted to the use of emergency rulemaking procedures to promulgate amendments to Section 310.290 to raise the rates for employees subject to the Out-of-State/Foreign Service rates. It also notified all affected agencies of such raise rates by memorandum and by phone.

Section 5.02 of the IAPA defines "emergency" as the existence of any situation which any agency finds reasonably constitutes a threat to the public interest, safety, or welfare" and that requires adoption of a rule on fewer days' notice than is required by Section 5.01 of the IAPA. The Department's explanation concerning the maintenance of parity with other in-state contract employees for those employees subject to the Out-of-State/Foreign Service rate is not persuasive. The level of compensation for contract employees in-State would have been negotiated previous to these amendments, so the rate to achieve parity would have been known. The subjects of Civil Service Commission action and the AFSCME clerical study would have been known prior to each respective effective date. The Department acknowledges that its delay in proposing rules using the general rulemaking procedures rendered use of the emergency rulemaking procedures necessary if the July 1, 1989, deadline were to be observed. The Department also acknowledges that its reason for the emergency rulemaking did not constitute a threat to the public interest, health or welfare. The lack of time prior to the July 1, 1989 deadline proved to be the sole reason for the emergency. The Department's use of emergency rulemaking procedures was unjustified respecting Section 310.290, as the Department could have used the general rulemaking procedures to propose amendments.

Therefore, the Joint Committee objects to Section 310.290 of the emergency rules of the Department of Central Management Services entitled "Pay Plan" because, contrary to the requirements of Section 5.02 of the Illinois Administrative Procedure Act, any emergency which exists

was caused by the failure of the Department to utilize the general rulemaking procedures of Section 5.01 of the Illinois Administrative Procedure Act in a timely fashion.

The Sections Affected Index lists, by Title, each Section of a codified Part on which rulemaking activity has occurred in this volume of the Register and is divided into two parts: the first lists the Sections on which rulemaking activity occurred in the previous issues of this volume year; the second lists the Sections on which rulemaking activity occurred in this issue of the Register. (The headings at the top of each page indicate the two parts: the first part shows the previous issue numbers inclusively and the date of the last published issue; the second lists the current issue number and date.) The columns in both parts indicate the type of rulemaking activity and the action taken along with the page number on which the first page of the notice of rulemaking activity appeared. If a Section on which action is being taken in the current volume (calendar year) of the Register was proposed in a previous volume, the last two digits of the previous volume's year appear immediately after the page number separated by a slash. (e.g. 1 Ill. Adm. Code 100.280 was proposed last year and adopted this year. The action entry reads: (P-857786; A-724)) The codes for both columns are listed below. For a complete listing of the Titles of the Illinois Administrative Code, please refer to 1 Ill. Adm. Code 100.140 or contact the Administrative Code Division.
